Exam registration

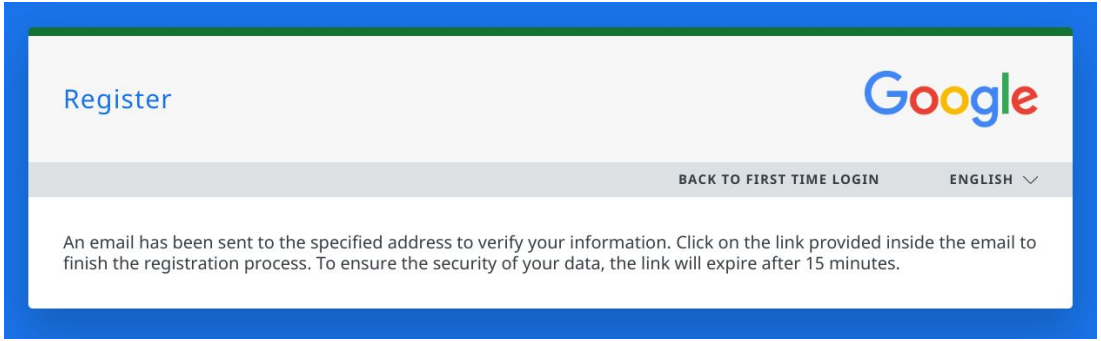

A step by step instruction
how to register for an exam with
a voucher

Google Cloud

Step 1

a. Create an account on CertMetrics*.
b. Once you've created your account, you'll receive a verification email. Please click on the link provided in the email to continue the registration process

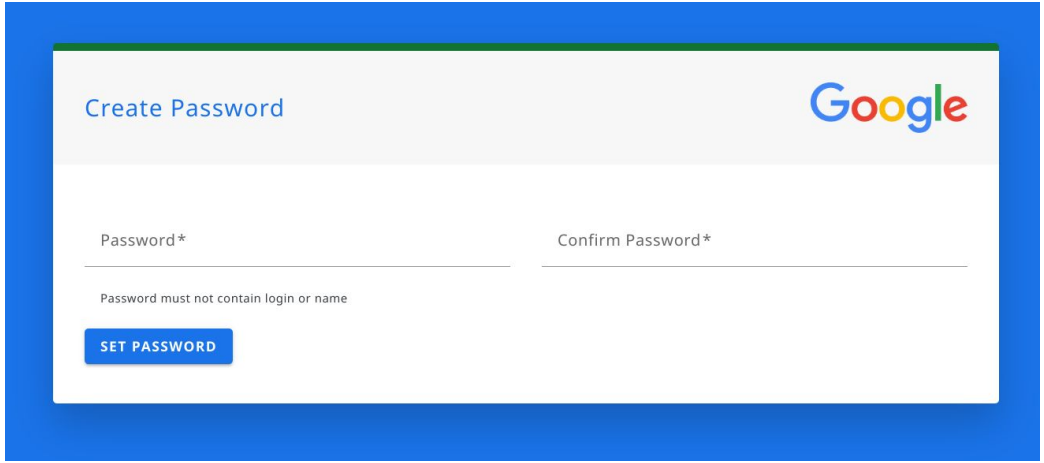

Google Cloud

*If you previously had a Pearson VUE account, please create a CertMetrics account **using the same email address** you used for your Pearson VUE login. If you have multiple accounts (e.g. with a personal *and* a corporate email, you can merge both following this tutorial).

Step 2

After clicking the link in the email, you'll be prompted to create a password. Once you've set your password, you'll be redirected to the login page. Please log in.

Step 3

a. Please agree to the Program Policies and Requirements and provide the required information.

b. Important: When filling out the address fields, please ensure you provide all requested information, even if not explicitly marked as required. **Your zip code is necessary to proceed with the exam registration process.**

1 Program Policies & Agreements

Below are the Exam Terms and Conditions that are presented to all candidates during the exam registration process. During registration, candidates will click to accept all Exam Terms and Conditions.

No Shows, Cancellation, and Reschedule Policy

- If you do not show up for your exam, your exam fee is forfeited and you will not receive a refund.

Retake Policy

- The retake policy varies by exam:

- Cloud Digital Leader certification exam: you have a maximum of ten attempts within a one year period and must wait at least 14 days between each attempt.
- Associate and Professional certification exams: you have a maximum of four attempts in a two year period. If you don't pass the exam, you can take it again after 14 days. If you don't pass a second time, you must wait 60 days before you can take it a third time. If you don't pass a third time, you must wait 365 days before taking it a fourth time.

- You may attempt the exam in multiple languages, but each attempt regardless of language counts toward the total permissible attempts and the waiting period between attempts still applies.

- Payment is required each time you take an exam.

- Attempting to circumvent this Retake Policy by registering under a different name or any other means is prohibited and will result in a denied or revoked certification.

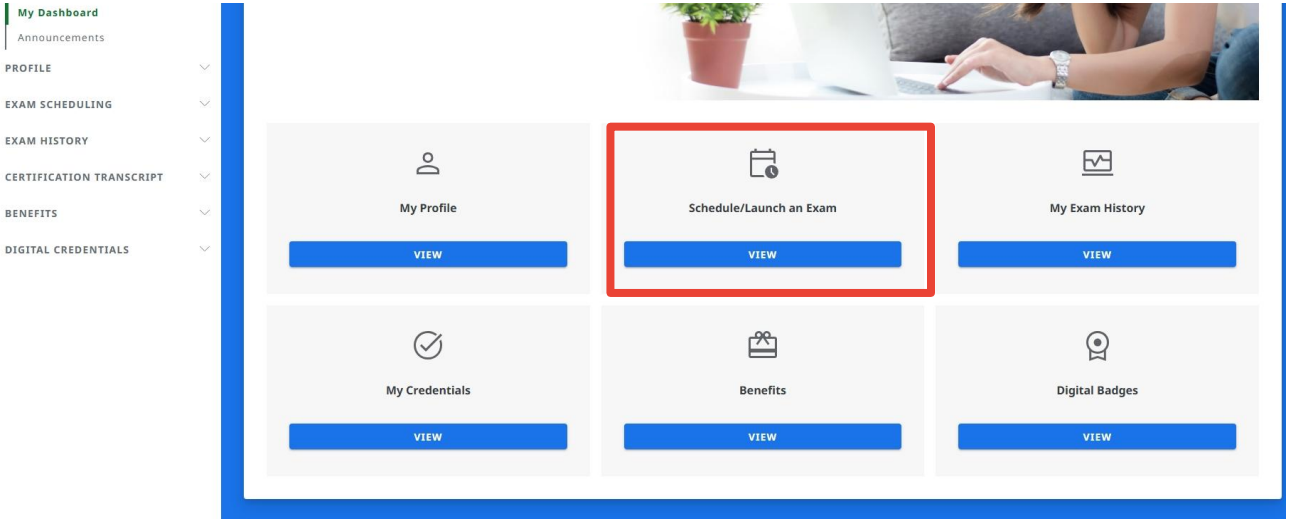

These Exam Terms and Conditions (the "*Terms*") govern participation in the Google Cloud Certification Program (the "*Program*") and are entered into between the individual

Online Proctored Exam

1. Please make sure you are familiar with the following information:
   a. Online Testing Requirements: What You Need to Know
   b. Frequently asked questions
   c. How to Launch an Online Proctored (OLP) Exam
   d. Help with OnVUE online exams

Important information

1. Your name/-s and surname/-s in the Certmetrics account (through this account, you will register for an exam) **must be the same as in your ID,** which you will use for your identity proving just before the exam.
2. Pearson VUE strongly recommends using a non-work-related or personal computer for online proctored (OLP) exams. Use only MAC or WINDOWS.
3. Please note that Chromebooks are currently incompatible with the exam platform. We expect to launch support for these devices in June 2026.
4. Rescheduling is a self-help action that can be done via your Cert Metrics Connect account, and MUST be done 24 hours before the scheduled date/time.
5. If you require assistance, please visit the Google Cloud - Pearson site and utilize their support options for matters beyond our scope. Regrettably, **our team is unable to assist with exam rescheduling or escalating technical issues.**
